

TINA HARTT

Montreal born jazz vocalist Tina is back

on the mic with her 2023 release *Absence of You*.

Her clear voice effortlessly glides from phrases of incredible intimacy to vibrant improvisation. From bluesy soul searching to intense declaration, her singing will take you on a journey. From intimate duos to roaring Big Bands, she has enjoyed singing in Montreal, Toronto, Halifax, Calgary and throughout Canada. Her repertoire revives jazz songs from a bygone era, and she dips generously into all types of French chanson, because "pourquoi pas?".
